For the welfare of our patrons and volunteers, please use hand sanitizer and be sure you have a mask on upon entering. We are limiting capacity to three patrons at one time and visits to one hour. With limited staff, we highly suggest that research projects be phoned in (262-377-4510), emailed in ([Ozaukeearchivist@gmail.com](mailto:Ozaukeearchivist@gmail.com)) or sent in through our website (<https://www.ochs.co.ozaukee.wi.us/>) This will allow us to gather the information together that you are seeking and set up an appointment to meet with you. We are happy to assist you in your next research project!

We hope to see you soon!
